Subject: Outstanding performance by Mr. William Vasana

As a member of the US Army for the past 22 years, I have moved extensively over the years. Mr. William Vasana was the hardest working, courteous and professional real estate agent I have ever dealt with in my career.

He consistently kept me informed and prepared an excellent sales presentation. His efforts resulted in a sale contract within 10 days of my property being listed on the market. I was thoroughly pleased and would without question recommend his services to any property owner wanting a professional, competent and knowledgeable agent.

Sincerely,

Kevin S. Anderson
